

Willi-Peter Hummel

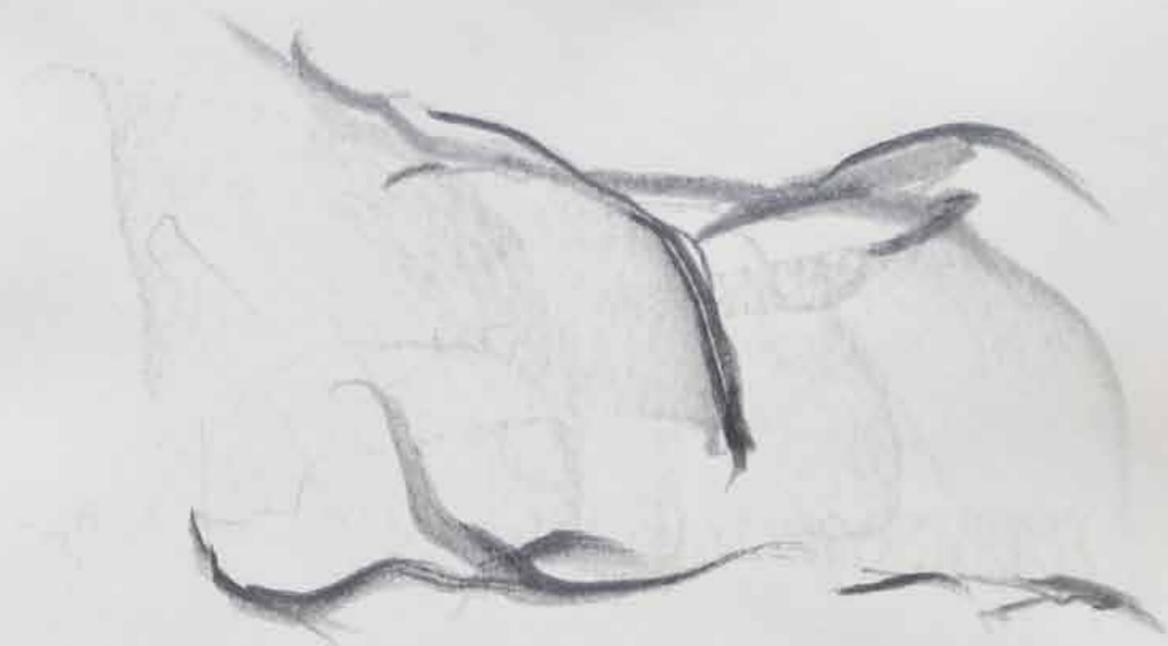

Zeichnungsbuch 29, September 2009 bis Januar 2010

September 2009 - January 2010

*[Handwritten signature]*

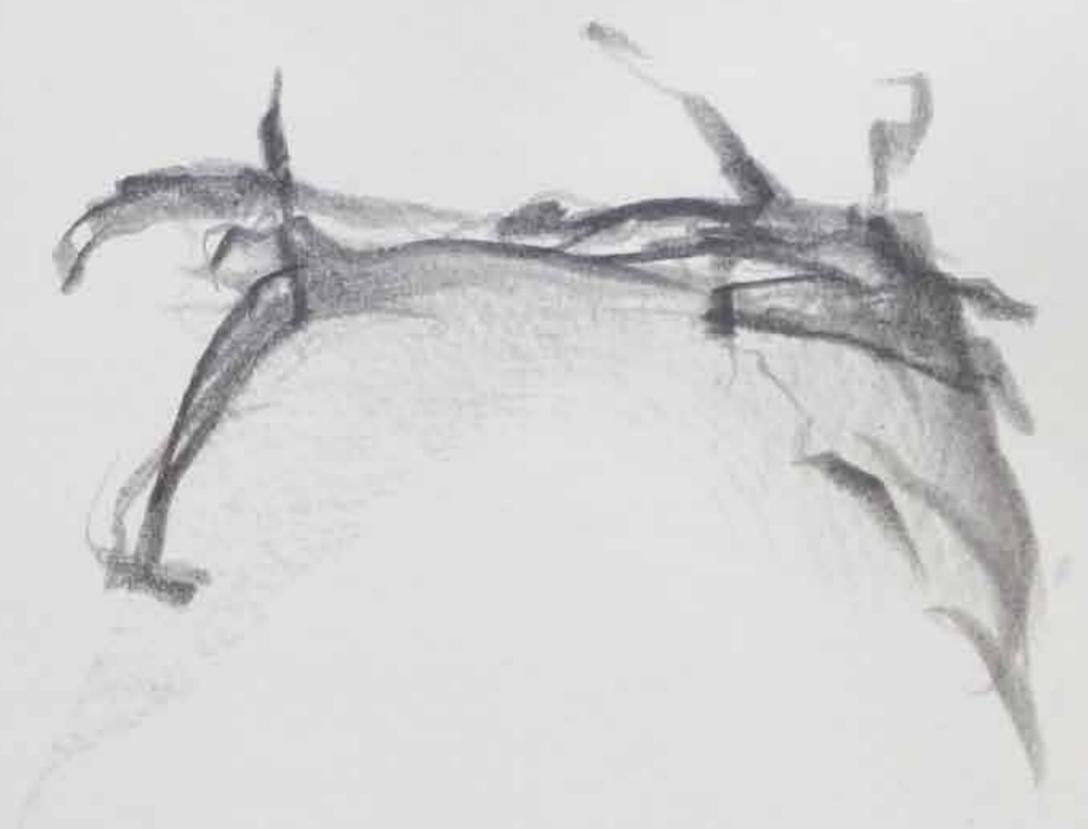

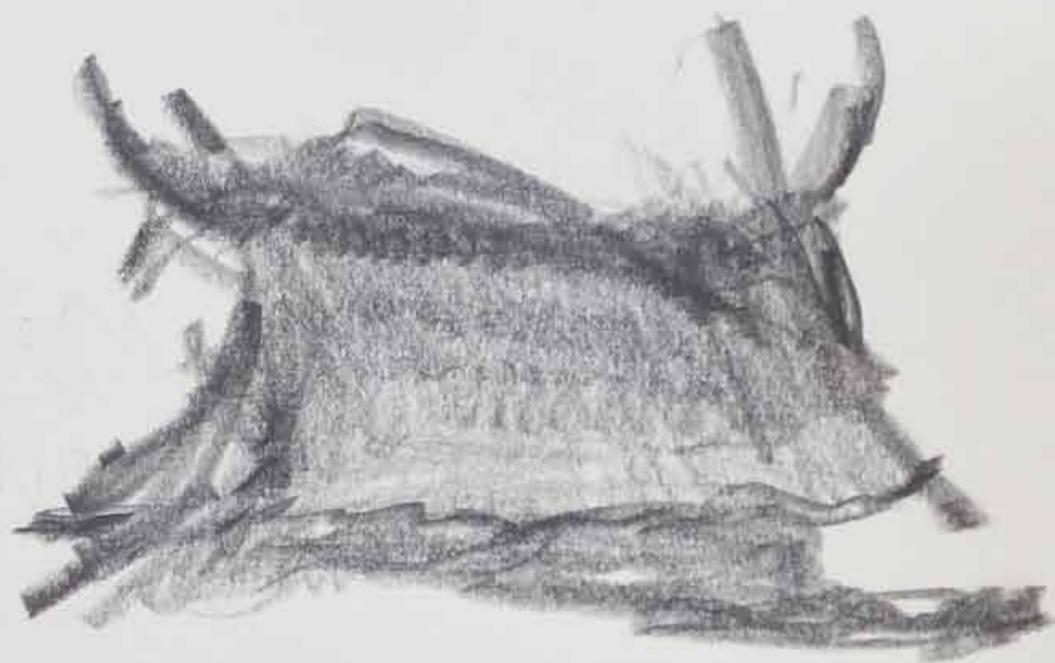

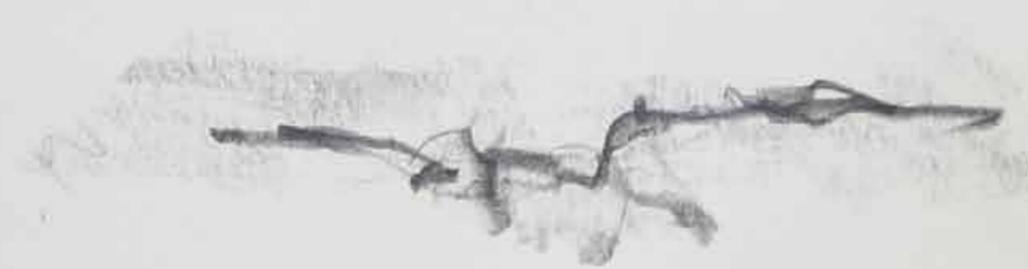

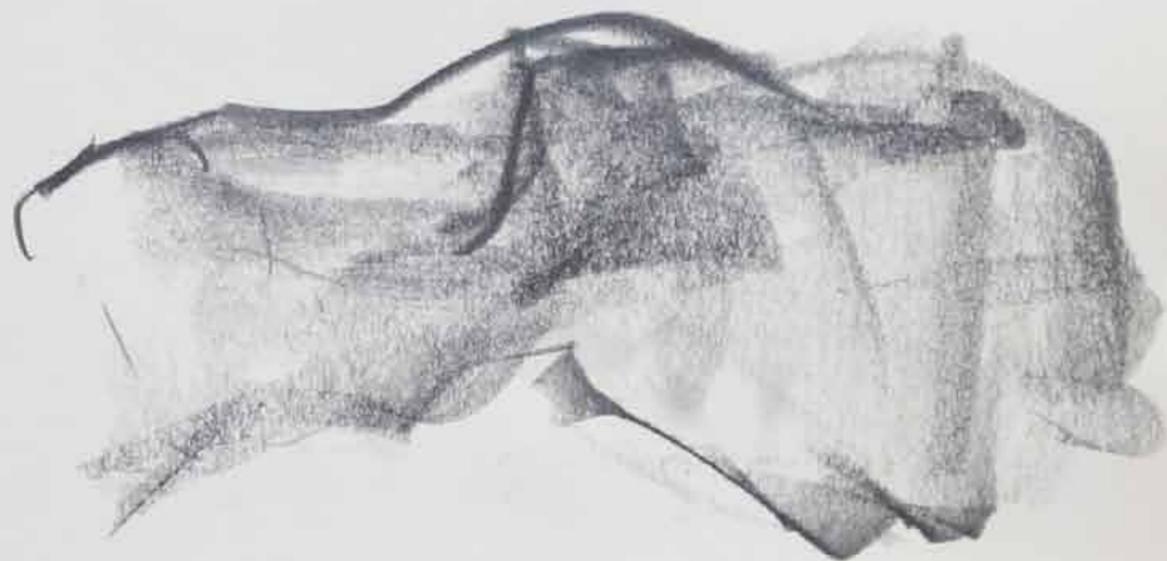

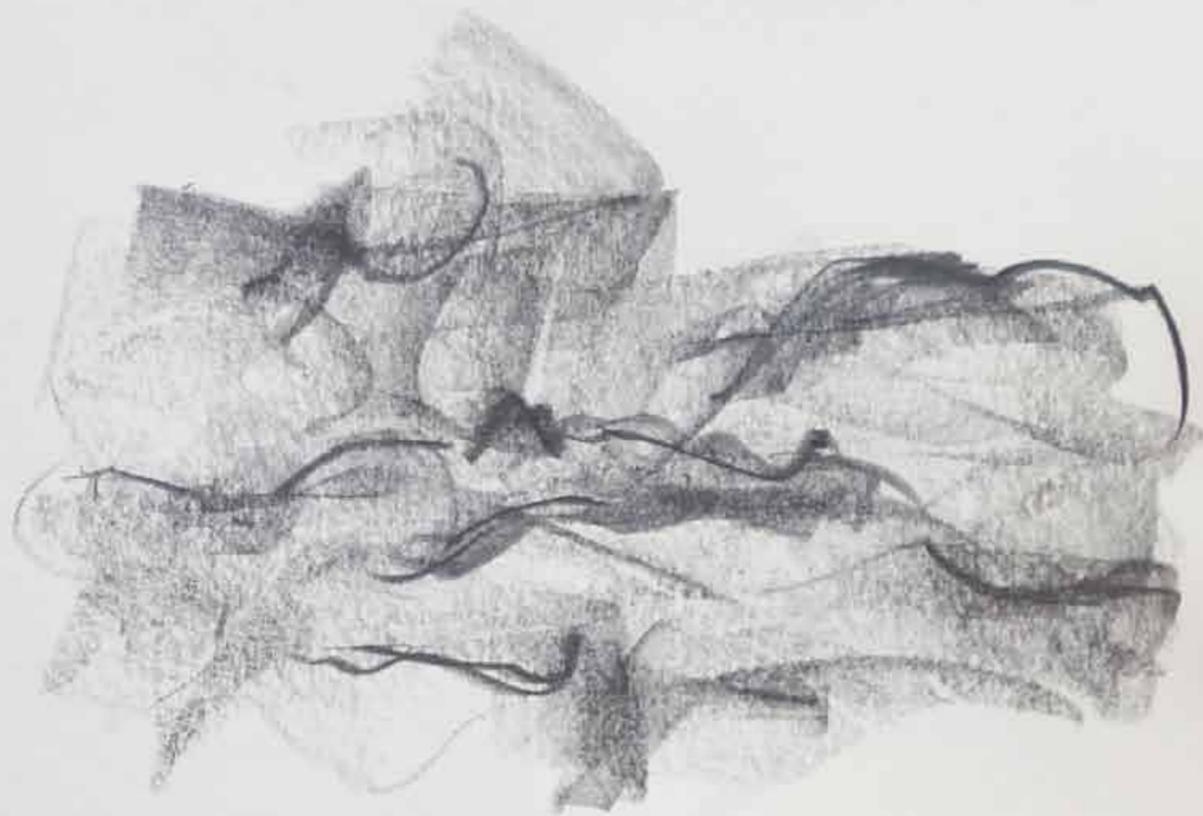

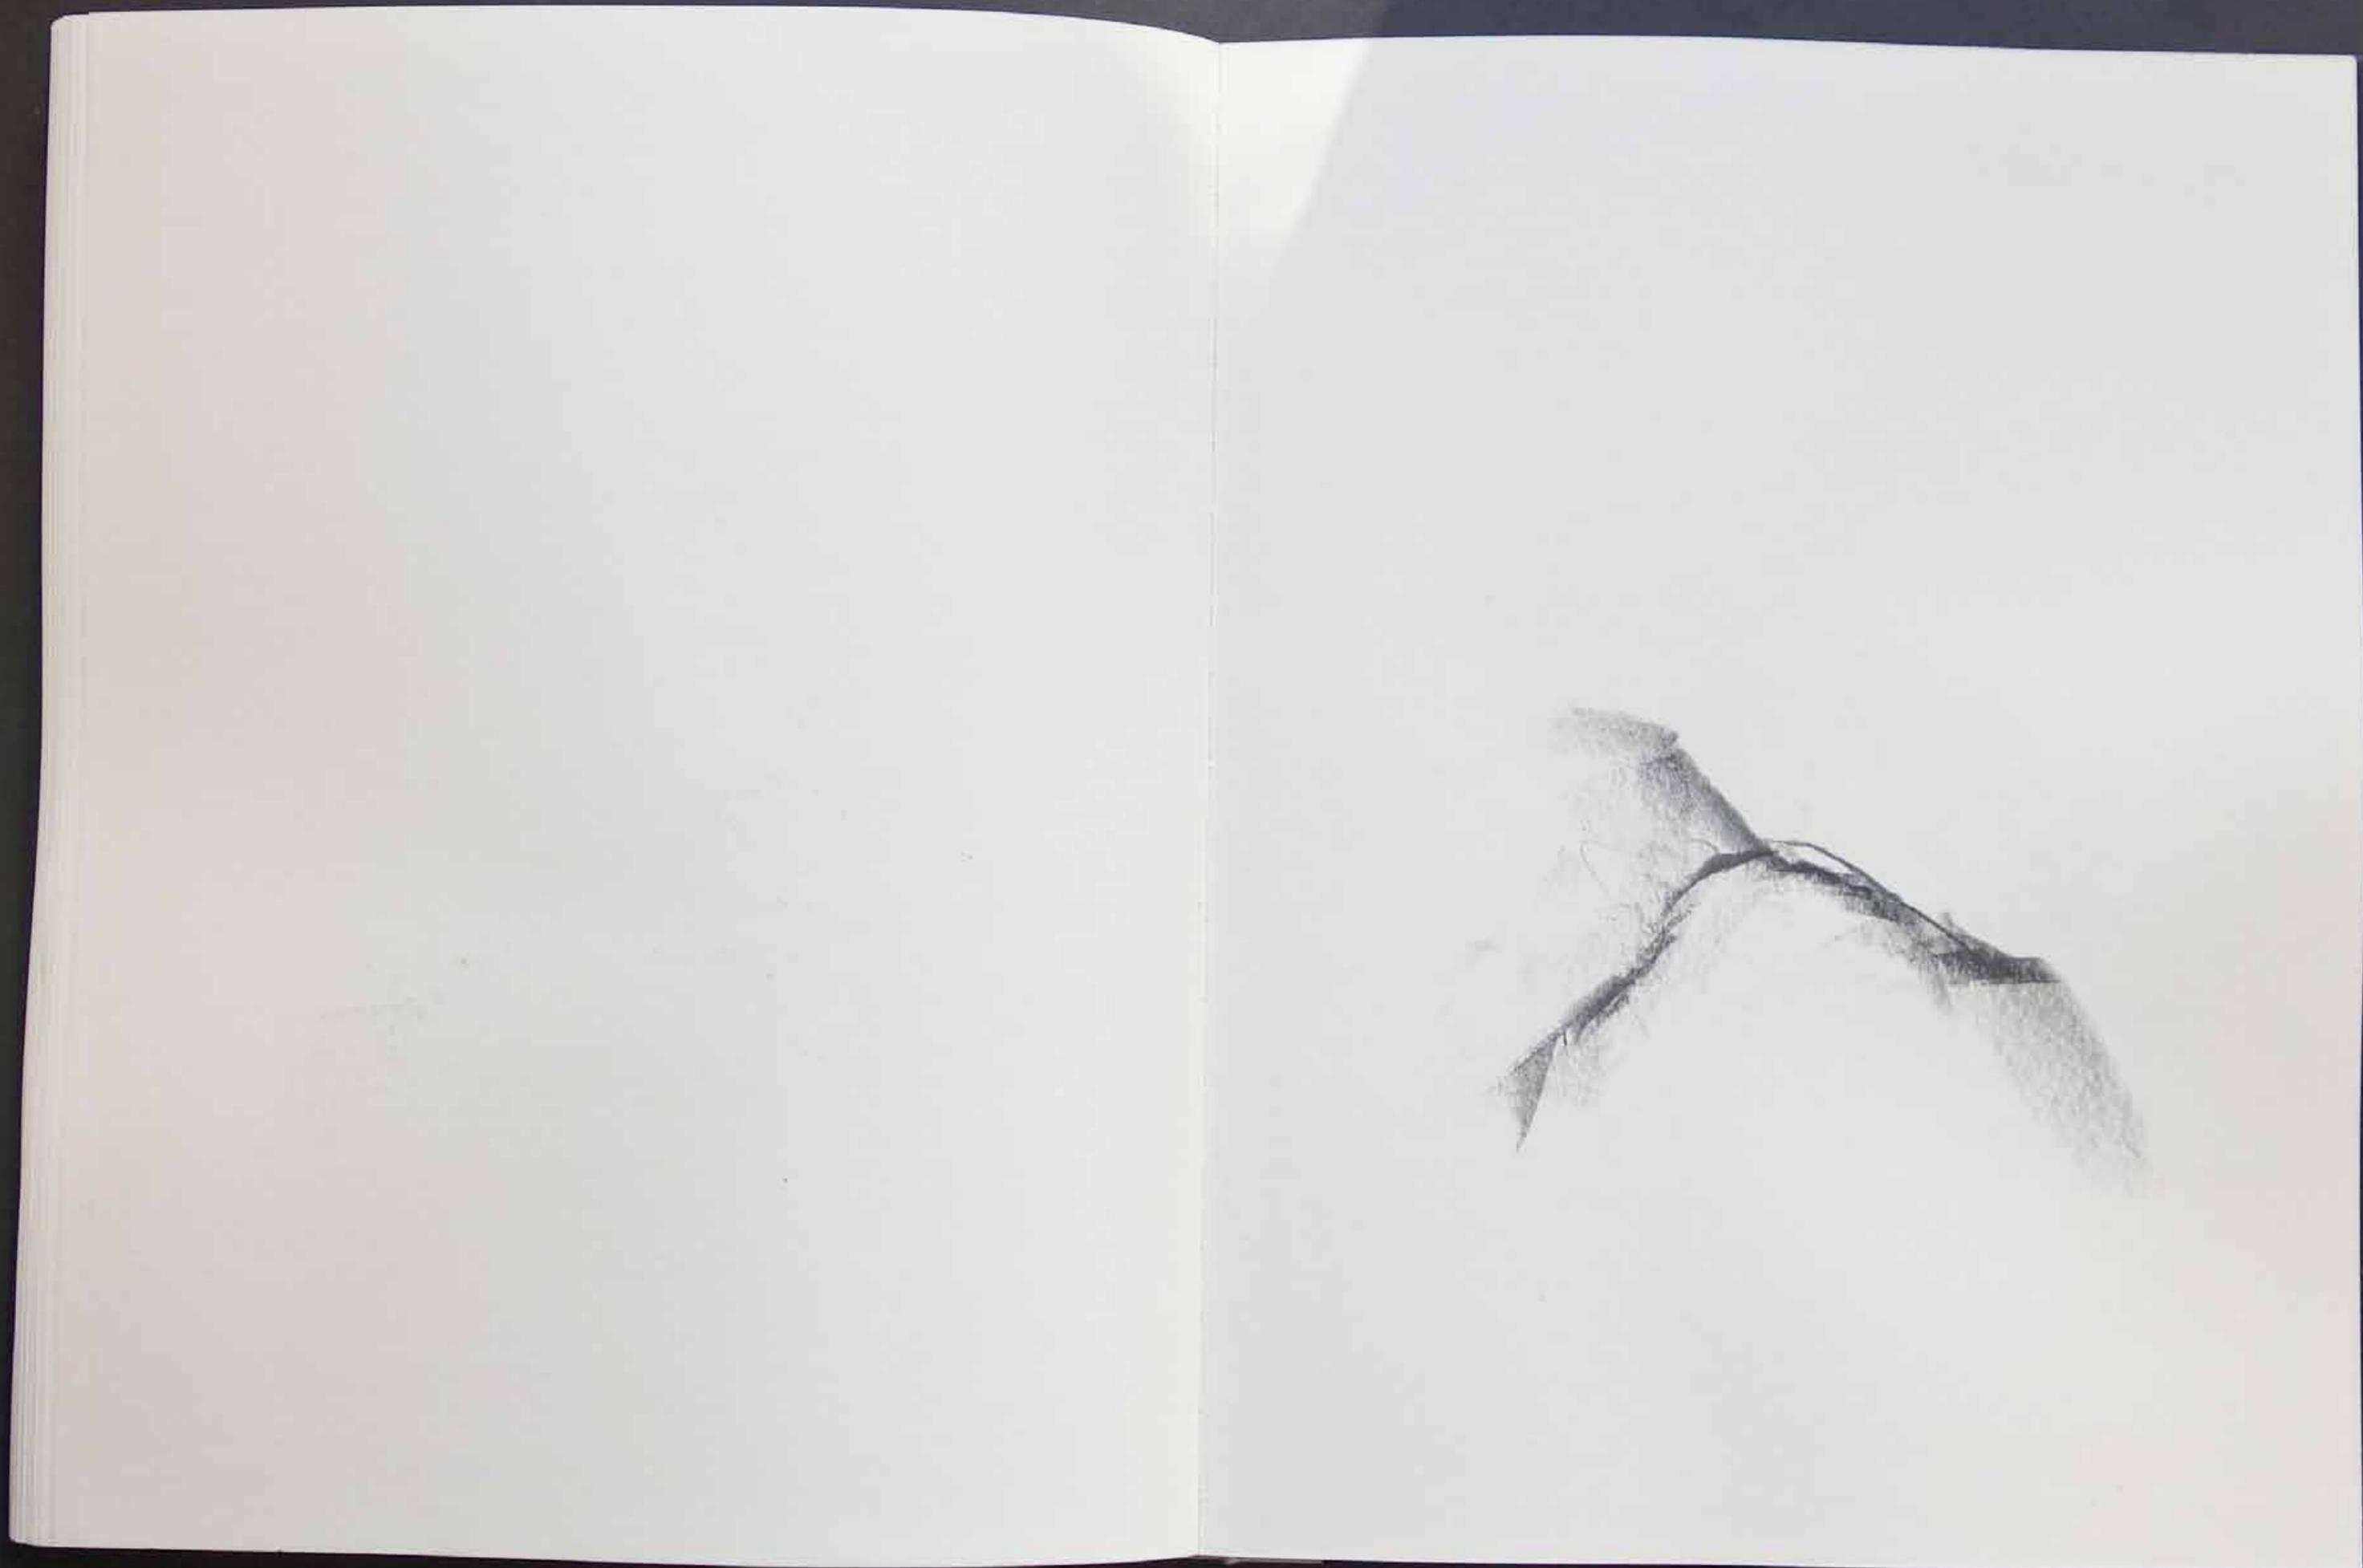

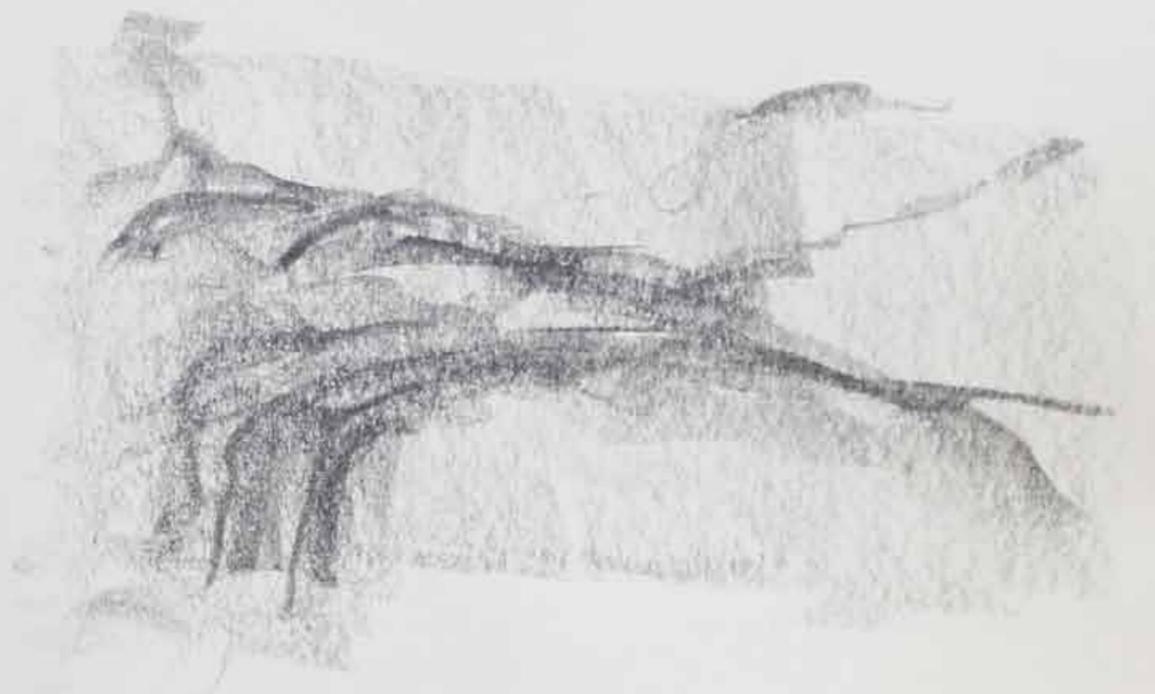

Handwritten scribbles, possibly illegible text or a signature, located on the right page of the notebook. The scribbles are dark and dense, appearing to be written with a pen or marker. They consist of several overlapping, curved lines that form a horizontal, somewhat abstract shape. The background of the scribbles is a light, textured grey, suggesting they were written over a faint pencil sketch or a light-colored background.
